

## Company Overview:

Omega-Sphere is a Midwest-based Information Technology firm specializing in federal government and commercial opportunities. As an SBA-Certified Small Disadvantaged Minority-Owned Business, we are committed to delivering innovative, results-driven solutions to address management and technology challenges. With over 25 years of experience serving both the private sector and the Department of Defense, Omega-Sphere excels in providing high-quality services in cybersecurity, cloud computing, and systems administration. Leveraging the extensive experience of our partners in sales and marketing, we combine deep industry insight with advanced technical expertise to deliver exceptional results for our clients.

## Mission:

Omega-Sphere Technologies provides top-notch professionals to ensure business continuity for partners nationwide. With a strong sense of urgency and commitment to quality, the firm focuses on matching resources to business models effectively. Key offerings include:

- Setting and executing business goals
- Delivering IT services to government, commercial, and consulting entities nationwide
- Collaborating with large and small businesses to meet client needs
- Offering a wide range of technology-based planning and services
- Supporting economic growth by ensuring employment for civilians, military personnel, and veterans
- Upholding success and integrity in business operations

## Core Capabilities:

- ✓ Cyber Security
- ✓ System Administration
- ✓ 24/7 Systems Support levels 1, 2 and 3
- ✓ Software Development
- ✓ Functional Support
- ✓ AWS cloud services

## Core Values

**Attentiveness:** At Omega-Sphere Technologies, we empathize with the frustrations faced by Human Resources and IT Management. We encourage our clients to share their needs, and we are committed to actively listening and delivering solutions across all levels of the Department of Defense and private organizations.

**Tenacity:** Our company prides itself on a strong work ethic and a dedication to getting the job done without taking shortcuts. This commitment is a key strength in providing the exceptional service that sets us apart from others. We recognize that our clients are people, and we believe that putting in extra effort will yield significant rewards, motivating us to always deliver quality service and avoid complacency
